Dear Ms. Gardner,

I do so absolutely, profoundly and sincerely, congratulate and most respectfully compliment you, for such an outstanding appreciation and understanding of our Kingdom and the Khmer People.

The feelings and emotions stirred by scenes and people in your Movie, will remain with me forever. I found your producing captured our Culture, Arts, politics and struggles more comprehensively and compassionately than any before. I truly feel proud for you with your production, again congratulations.

It was a surprise of pleasure, to see my good and long time friend, Toni Sharipo, in the film. This alone brought back many memories, as Toni and I were together in the Border camps, during those most difficult times in the past. Please do pass on my very dearest and kindest regards, to Toni for me. I would also appreciate knowing his address, so that I may contact her, personally, I haven't seen her for a so long.

As a Khmer, I am deeply touched and moved by this honest and thoroughly profound presentation of the Cultural appreciations of our people.

Please accept and convey to your group, my most heartfelt and deepest appreciation and; the renewed assurances of my respectful and high consideration.

Sincerely yours,

Norodom Sirivudh
